Una soluzione contemporanea elegante

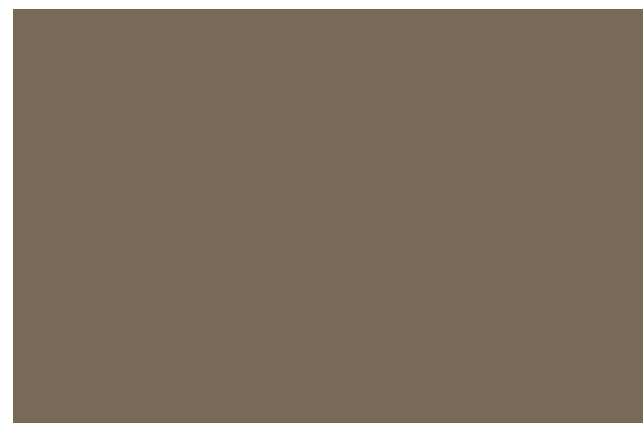

A stylish contemporary solution

Un progetto cucina che sa coniugare tradizione e innovazione, arricchito da idee come le armadiature, eleganti e funzionali, il cui design riprende la vecchia tradizione delle madie. Un mix unico, che porta il classico oltre il presente.

A kitchen design that knows how to combine tradition and innovation, enriched by ideas such as elegant and functional cabinets whose design incorporates the old tradition of the cupboards.

A unique mix, which brings a classic style beyond the present.

Ambienti che fondono il design italiano con il gusto internazionale, in un connubio pienamente armonico.

Non solo estetica, ma anche attenzione ai particolari e alla funzionalità dei contenitori, capienti e allo stesso tempo eleganti. Di forte impatto visivo la cristalliera, collocata nel cuore della blocco dispensa.

Environments that combine Italian design with international tastes, in a fully harmonious blend offering not only aesthetics, but also attention to details and functionality of the storage elements, which are roomy and stylish at the same time.

The glass cabinet, located in the heart of the cupboard area, boasts a strong visual impact
